

Freeway T70 Bio Bidet Self Propelled Shower Chair & Wash and dry toilets for Elderly

The **Freeway T70 Bio Bidet Self Propelled Shower Chair** is an ideal solution for elderly individuals who require both comfort and hygiene. This chair is designed to offer a **wash and dry function**, combining the benefits of a bidet with a self-propelled shower chair. It features:

1. **Self-Propelled Design:** Allows easy mobility for caregivers or users with limited mobility.
2. **Bidet Function:** Provides a gentle, adjustable stream of water to cleanse, ensuring a thorough and hygienic wash.
3. **Drying Feature:** After cleaning, the chair uses an air dryer to dry the user, reducing the need for toilet paper.
4. **Comfort:** Equipped with a comfortable seat, ideal for elderly users who require both personal care and mobility assistance.

At EasyCare Systems, we offer solutions like the Freeway T70 to support elderly care and improve hygiene and comfort.
