

## How do I maintain and clean a shower chair?

---

To maintain your shower chair:

- **Clean regularly** using non-abrasive cleaners to avoid damaging the materials.
- **Dry thoroughly** after each use to prevent mold or mildew buildup.
- **Inspect for damage** to ensure the chair remains safe for use. Our shower chairs are made with durable, easy-to-clean materials such as plastic and stainless steel, designed to withstand frequent use and water exposure.
