

What types of shower chairs are available?

At EasyCare Systems, we offer a range of shower chairs designed to meet various mobility and comfort needs. Our options include:

1. **Standard shower chairs** with or without backrests and armrests.
2. **Folding shower chairs** that are ideal for small spaces and ease of storage.
3. **Height-adjustable models** to accommodate different user needs.
4. **Wall-mounted shower seats** for fixed and secure support. Each chair is designed to enhance comfort and safety for individuals with limited mobility.
